

## Sports Premium Funding

At Chalfont Valley E-Act Primary Academy we recognise the importance of PE to the health and wellbeing of our children. We also value the impact that high quality teaching of PE and the participation in extra-curricular activities can have on children's concentration and attainment.

We are committed to ensure that all pupils receive a minimum of 2 hours of PE per week. Due to the sports funding provided by the government we have been able to employ a sports coach. He is working alongside the teachers to deliver high quality P.E lessons as well as providing a wide range of after school sports clubs, both for team and individual sports.

## What is the Sports Premium?

The government is providing funding of £150 million per annum for the academic years 2014/15 and 2015/16 to provide new and substantial primary school sport funding. The funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school head teachers to spend on improving the quality of sport and PE for all their children. Each school will receive £8,000 plus an extra £5 per pupil each year for the next two years - here at Chalfont Valley that will mean £8,570 for 2014-15 and £8,585 for 2015-16. Both of these amounts are also subsequently topped up by the Academy to ensure the provision is in place to ensure the children receive high-quality provision and a range of activities, both in curriculum and out of curriculum. The money can **only** be spent on sport and PE provision in schools.

Sports premium funding 2014-2015: Spending & Impact

<b>Funding received 2014-2015</b>	<b>Academy top-up</b>	<b>Total Spend 2014-2015</b>
£8,570	£5,720	£14,290

<b>Provision/Area of Development</b>	<b>Cost</b>	<b>Evidence</b>	<b>Impact</b>
Providing PPA cover so all children receive 1-2 weekly PE lesson from specialist teachers.	£14,040	Children receive high-quality specialist teaching to enhance skills.	Children benefiting from weekly 'good' teaching by coaches with specialisms teachers do not have. Children's PE skills develop and standards improved.
Widening sports provision for children to encompass new curriculum, and provide opportunities previously unavailable.	£14,040	Investment in new equipment to allow Academy to teach a wide range of sports, including tag rugby & outdoor activities, as well as 'regular' sports such as football, netball, hockey, cricket, tennis.	Pupil Voice: children have enjoyed doing the newer activities, particularly rugby. This has seen an increase in numbers for 'multi-skills' clubs in KS2, but not KS1. Children learning new sports and new skills.
Providing sports provision for children to attend at lunchtime & after-school (KS1 & KS2)	£14,040	Multi-skills clubs on offer to all children in KS1 & KS2 (separate Clubs.) Sports coach running lunchtime 'games' with children on playground - targeting those who engage less with PE.	Increase in numbers for multi-skills clubs from previous year. Wider range of activities on offer for multi-skills. Consolidates skills taught in curriculum. Encourages team-work & mutual respect, reinforcing work in the Academy on British Values.
Improve equipment available at playtimes and lunchtimes.	£250	Greater participation during lunchtimes. More variety of equipment for children of all ages to access freely (skipping ropes, small and large balls, etc.)	Improves behaviour at lunchtime as children engaged. More children being active at lunchtime.

<b>Funding received 2015-2016</b>	<b>Academy top-up*</b>	<b>Total Spend 2014-2015</b>
£8,585	£6,505 (not accounting for parental contributions for club / swimming)	£15,090

<b>Provision/Area of Development</b>	<b>Cost</b>	<b>Evidence</b>	<b>Impact</b>
Employment of qualified sports coach.	£14,040	Teachers feel more confident planning own PE lessons. Children receive high quality first teaching.	Provide teachers and children with the confidence to enhance existing skills. Provide children with opportunity to participate in lunchtime club. Provide children with the opportunity to participate in after-school club (KS2).
Improving Assessment of children in PE.	£14,040	Building time into the sports coaches' timetable to assess children in PE against the strands taught, and feeding this back to teachers to help them build up assessment of child's ability in PE.	Increased accuracy in assessment of children's ability in PE.
Providing weekly swimming lessons in Years 5/6 (Spring Term).	£850 (coach) £555.20 (lessons)	Children's competency and confidence in water improve. Children in Year 6 reach statutory requirements for swimming.	Increase in physical development, coordination & concentration. Build self-esteem. All children in Year 6 to be able to swim 25m independently.
Developing the role of 'Play Leaders' in the Academy.	£200	New stock purchased for playground equipment. Play Leaders trained in Years 5 & 6. School council to review in Spring Term to discuss extending / provision.	An increase in numbers of children participating in healthy activity at lunch-time (to start after Christmas), including raising awareness of benefits of adopting a healthier lifestyle.
